

STANDING LAMP

BY SMILOW DESIGN

The Standing Floor Lamp is part of the Smilow Lighting Collection. Originally designed in 1956 by Mel Smilow and reintroduced in 2017, this collection's sculptural and nature-inspired pieces bring a softness and brightness to a room, while complementing our entire furniture collection. Originally designed in 1956, the Standing Floor Lamp has graced the living rooms of many over the years. With a signature contrasting stripe of maple wood, and our signature handcrafted shade made with birch dowels, this lamp is sleek and classically mid-century. Made in America since 1949, Smilow® Furniture and Lighting defines: Enduring Modern Classics.
