

# STAY LOUNGE CHAIR - SMALL

**BY GUBI**

Stay here, stay with me, stay relaxed, stay and read...The small Stay Lounge Chair, with options for a returning swivel function, has a sculptural and organic shape that, besides from giving a contemporary look, also embraces the user and encourages to stay seated. The characteristic shape is almost like a singular continuous pencil stroke wrapping a solid texture. The lounge chair is suitable for both public spaces and private homes as its small size fits very well to populate spaces of limited size where keeping cosiness and comfort are essential.
