

STAY SOFA- WOOD BASE

BY GUBI

Stay here, stay with me, stay relaxed, stay and read. The Stay Sofa has a sculptural and organic shape that, besides from giving a contemporary look, also embraces the user and encourages to stay seated. The characteristic shape is almost like a singular continuous pencil stroke wrapping a solid texture. The sofa is suitable for both public spaces and private homes as its small size fits very well to populate spaces of limited size where keeping cosiness and comfort are essential.
