

STEM 1X SCONCE/CEILING

BY SKLO

The Stem 1X Sconce/Ceiling is a minimal light suitable for use as a ceiling light or wall light. It consists of a single diffuser of handblown Czech glass on a simple brass socket and canopy. The glass diffusers are available in two shapes and in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges.
