

STEVE POUF

BY DE LA ESPADA

Gemstones set into jewellery were the starting point for Steve -- a series of upholstered poufs for Luca Nichetto's eponymous furniture collection for De La Espada. The Steve poufs feature short cast iron legs that support visible wooden structures crowned with upholstery, and are available in two sizes. Perfect as a stand alone piece, Steve can also complement the Blanche, Stanley and Elysia chairs. It continues the aim of the Nichetto Collection to combine heritage styling with contemporary design.
