

SWEET SPOT

BY CREATORS OF OBJECTS

The perfect target for those easy to misplace items or treasured objects!
Inspired by candy, we sculpted the Sweet Spot catchall into a perfect circular form with a subtle dip, the sweet spot for your items.
Individually cast resin pieces add a splash of colour to your consoles, shelves, table, or wherever you are looking to add an exciting focal point to your interior decor.
The Sweet Spot catchall and bowl is made individually by hand in our studio. Each piece is hand tinted and cast in either a cloudy or clear resin. Out of the mould begins the process of final shaping, sanding and polishing that gives the Sweet Spot its everlasting shine.
