

THIN SINGLE FLOAT

BY JUNIPER

The THIN Single Float pares simplicity down to a single line and mounting point, offering a sleek sconce solution for interior spaces. Featuring a unified 1/2-inch brass cylinder, the fixture mounts through an L-shaped bracket and hovers above surfaces to cast a soft glow.

Dimensions

18" or 24" H, 2 3/4" D from wall

Material Options

Satin Brass, Black Oxide or Satin Nickel

Lamping

Choose from a selection of colour temperature and power options.
