THIN SURFACE MOUNT

BY JUNIPER

The THIN Surface Mount Light is a refined take on linear LED lighting. Each ultra-slim interconnecting light array is created with precision from genuine brass tubing. The magnetic connection between each array allows the creation of extended modular wall sconces, vanity lighting, picture lighting, wall accents and under-cabinet fixtures at almost any length and finish.

Dimensions

Standoffs: 1.75", 3.5" and 7"
Available in multiple lengths and segments including: 24", 36" 48" etc.
