

TO FLOAT WITHIN

BY CLASTE COLLECTION

A side table with floating marble shelf that is as functional as it is beautiful. The glass enclosure allows for items to be displayed on both surfaces and is available in both ultra-clear and bronzed glass which allows for multiple combinations of colour and materials. Modular by its nature and open on both ends this table can also be combined to create various coffee table configurations suitable for both large and small spaces.

Dimensions

22"x22"x18"
