

TOGETHER EXTENDING TABLE

BY DE LA ESPADA

Joining the family of Seating for Eating, is Together Extending Table. Rounded ends act as drop leaves, creating a rectangular table when locked underneath. The rounded ends invite people to move up and get snug.

Material Options

Available in American black walnut, American white oak, or European Ash in a range of finishes. Copper feet. Brushed copper locking mechanism. The extension bars are centrally located on the hinged ends of the table. To extend, unlock the metal latch by sliding it to the side. Once released, fold the leaf upward, then pull the extension bar fully until it hits the stopper. NOTE: Due to limitations of the length of the premium wood planks available, the wood grain on the extension leaves does not match that of the table.
