

V LITE

BY DE TROUPE

Designed in collaboration with Commune Design, the V-Lite doubles as a table lamp and a wall sconce. As a sconce, the fixture comes with a large brass ball hook for wall mounting. The perforated brass shade tilts up and down. Finish options for the steel pin legs are either black or brass.

Material Options

Matte Black, Raw Brass, and Black or Bronze Cord with Molded Rotary Switch

Lamping

(1) 60W Medium Base So
