

# LEDGE

DRY BAR

simon  
johns

## Dimensions

64"H x 36"W x 15"D

## Materials & Construction

Ash Wood, Smoked Glass, Leather.

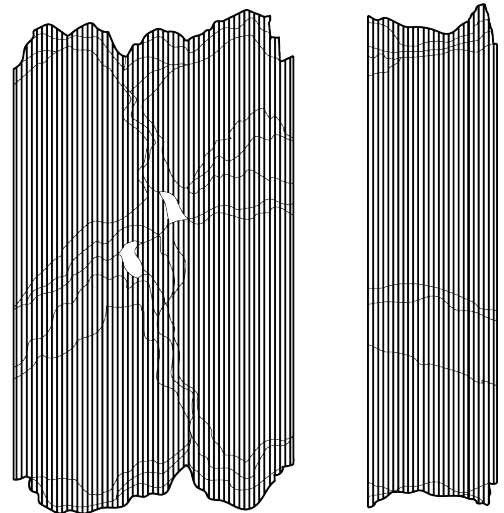

Ledge Dry Bar is a floating wall-mounted sculptural dry bar made of carved solid ash.

## Description

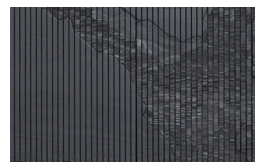

It's surface recalls the textures of crumbling cliffs around the studio. It's interior has two solid wood surfaces for a collection of bottles and an adjustable smoked glass shelf for glassware. The back of the interior is covered in a matte black leather.
